KKCG

# A leading global investment and innovation group

KKCG is an **investment and innovation group** operating a diverse range of companies, united by visionary leadership, using its own resources to transform industries. With operations across several continents, KKCG businesses can draw on capital, networks and strategic advice from across the group to enable profitable and **sustainable growth for the long term**. KKCG's four main business pillars are complemented by a portfolio of diversified ventures, which includes start-ups, biotechnology, maritime and consultancy. KKCG is committed to supporting the communities where it operates, **contributing to the societies it works within**.

€15 billion in assets | 41 countries | 16,000+ employees

## Lottery and Gaming

KKCG is the owner of Allwyn, a multinational lottery-led entertainment company with leading market positions in the Czech Republic, the United Kingdom, Austria, Greece and Cyprus, Italy and the United States (Illinois).

allwyn

## Energy & Chemicals

KKCG has built a strong international group that provides comprehensive services in 21st century energy. It also produces methanol from locally-sourced natural gas in the United States.

us methanol™ MND

## Technology

Our technology portfolio has two major brands: Aricoma and Avenga. Aricoma focuses on IT infrastructure, cloud applications, and security and Avenga on custom software development.

ARICOMA avenga

## Real Estate

Real Estate identifies diversified investments with long-term growth potential in the commercial, residential and industrial sectors.

KKCG Real Estate Group
